The **Student Leadership Team** kicked off two campaigns today.

First, the **Scholastic Books Program** to bring **books to libraries** in areas of the world with **limited resources**. The K to 2 and the 3 to 6 are each being challenged to read 100 books (as a group) and produce a book banner for their books read. The prize, **200 books will be given to a needy library**. This campaign **ends May 28th**.

Second, “**Pennies for Patients**” which is a coin collection program where the monies will go to **support children with cancer**. This campaign will **end April 9th**. Students are invited to bring in coins for the collection boxes. Let's see if we can reach a goal of \$200.00. The **community is welcome** to assist us with this venture.

Please **leave a message** if you phone the school and no one is available. The **phone is checked** regularly for messages. Thank you.

If you have a student in the **grade 5/6 class**, please mark you calendar for **Tuesday, April 7th at 7pm**. There will be a meeting to discuss the possibility of an **Edmonton Field Trip** in May. This meeting will be for the students and their parents.

Students are encouraged to **leave their toys at home**. The school staff is not responsible for lost valuables; however, we do not wish to see upset students and can appreciate that these items are valuable to them.

Next **Monday, March 30th** the **grades 3 to 6** begin their **swim lessons** at the **Leisure Centre** in Grande Prairie and will be going to **ceramics in LaGlace** in the afternoon. **Mrs. Farnsworth**, the ceramics' teacher, has a grandson in the group and she wishes to **host a lunch of hot dogs, a drink and cake** for the students to celebrate her **grandson's birthday** that day. If you have concerns, please contact Ms. Thomson during regular school hours. Students will need to bring their snacks and a water bottle as usual.
