Valhalla Community School

Valhalla Vikings Take Game Away!

Vikings boys' and girls' volleyball teams have been taking their game on the road! Demonstrating enthusiasm and discipline our athletes have been making themselves outstanding representatives for sports and for our school!

Congratulations to both volleyball teams for a terrific showing this past weekend. The boys won silver at their tournament in Grovedale (Penson) losing a tight match to Helen E Taylor in the finals. Way to go boys, great job! The girls won gold at their tournament in Wembley beating LaGlance in the finals. Awesome work girls! It is wonderful to see all the students' hard work at practice paying off. Keep up the great work athletes for the rest of the season. Also, a thank-you to all the parents for getting their kids to and from all the practices, games and tournaments.

Fall Harvest School Celebration!

One conclusion that came out of our first Parent Council meeting of the year was that we would like to do more to promote the deepening of our school community.

To this end Parent Council is going to host a pot luck dinner for everyone connected to the school on October 26 at VCS at 6 pm. The goal is to get to know each other better and have fun doing it!

Great idea Parent Council!

Calling all French students!

Please note that you can go online at home anytime and login to Alberta Distance Learning Centre (ADLC) to work on your courses. If you have not memorized your username and password, bring your agenda to class and copy your passwords into it from your duotang. Since we are behind because of the internet problems at school, we can reach our deadline goals if you work at home. Show your parents what your course is like!
