Valhalla Community School

VCS Student Council is Born!

After extensive and enthusiastic campaigning by many students running for office in Valhalla Community School's new Student Council, the election was held on Friday, Oct.5, 2012.

All students are to be commended for their willingness to run for office and for the great effort they put into their campaigning.

Informative and eye catching campaign posters were put up. Ground level individual campaigning went on. Especially notable was an exceptional assembly gathering where candidates gave speeches, presentations and held a question/answer session which would have done any adult political meeting proud.

We are very proud of the involvement and effort shown by all of the students who campaigned.

Of course any campaign must conclude with an election and not all candidates can be elected. However, with the enthusiasm demonstrated and the ideas generated, there will be lots of room for all interested students to be involved, even those not holding direct positions in Student Council.

Playground Meeting

The playground at the Valhalla Community School is in need of replacing. It no longer meets the required specification and is too close to the school.

We will be holding a meeting at 7:00pm on Monday October 22, 2012 in the Viking Room at the school. Everyone in the community is welcome whether they have children in the Valhalla School or not.
