Dear Parent/Guardian;

The Valhalla Community School believes it has had a very successful first school year as a Charter School and we are looking forward to the September the 2009/2010 school year. We are continuing our present three bus routes and are adding a fourth route that will include the Town of Beaverlodge. Our Director of Transportation, or your bus driver, will contact you regarding the bussing routes in late August.

For your information: for the 2009/2010 school year you **do not** need to purchase school supplies. They will be provided by the Valhalla Community School free of charge. If you wish to assist the school with this cost, a donation of \$75.00 per student would be appreciated and will be used to offset the cost of purchasing school supplies and student agendas. We do ask that each student bring: a non-marking pair of running shoes for inside use, a back pack, a lunch kit and six large boxes of Kleenex (200 or more per box). Please put your child's name on all their belongings, not necessary on the Kleenex as these go into general school use.

If you have any questions, or concerns please contact the school office.

Enjoy a great summer break! See you September 1, 2009.

Yours truly,

Susan Thomson, Principal
