

BOARD HIGHLIGHTS

May 23, 2023 -
Board Meeting

BUDGET APPROVAL

The board approved the budget for the 2023/2024 school year. The Alberta Education guidelines require a detailed budget to be submitted by May 31 each year. Thanks to our administration team for putting together an excellent budget for next year.

EDUCATION PLAN APPROVAL

The board approved the updates to the Three Year Education Plan for the upcoming school year. Alberta Education requires this document to be submitted by May 31 each year. It is a great overview of the goals of the school for the upcoming three year period and the means to how we plan to evaluate meeting these goals. This document will be published on our website following the submission to Alberta Education.

We are looking forward to a productive year of moving the mission of the Valhalla Community School forward which is **"to instill readiness for leadership by equipping students with both knowledge and skills necessary for success in a rapidly changing economy in the communities they serve."**

SUPERINTENDENT VISIT

Dr Peat is coming in June to work with the school and board for a week. He will be here from June 19-23, 2023 and we look forward to working with him to wrap up this school year and make plans for the next.

We will also be working on our board evaluations which we do each year as well as the Superintendent evaluation which is also an annual process.
