

Kindergarten

Why Choose Valhalla?

READING MASTERY

Valhalla Community School uses direct instruction to teach students the foundation to be fluent readers. Reading Mastery is an evidence based program that ensures students reach mastery before moving on.

If students need more practice with a specific skill, teachers can provide the additional instruction within the program to ensure students master the skill.

SMALL CLASS SIZES

Valhalla Community School Kindergarten offers small class sizes so your child receives the instruction and guidance they need.

THE VALHALLA DIFFERENCE

We believe in volunteerism, a strong work ethic, civic engagement and entrepreneurship. We aim for our students to become well educated and engaged citizens, with strong civic, ethical and democratic standards. We aim to instill a readiness for leadership by equipping students with both knowledge and skills necessary for success in the communities they serve in this rapidly changing economy.
