VALHALLA NEWSLETTER

NOVEMBER 2026

Welcome, November!

November is a month of reflection, gratitude, and new learning opportunities. We will take time to honour and remember the brave men and women who served and sacrificed for our country during our Remembrance Day Service. This is an important opportunity for students to reflect on the importance of peace, courage, and gratitude.
November is also a time to celebrate student progress as report cards are prepared and shared with families. Parent-teacher interviews will provide a valuable opportunity for families and teachers to connect and identify areas for continued growth.

Reminders

Poinsettia Orders are due Nov 5th!

Upcoming Events

Nov 2- Early Dismissal
Nov 6- CSW No School
Nov 10- Remembrance Day Ceremony
Nov 11- No School

STUDENT GROWTH AND ACHIEVEMENT

Numeracy & Literacy Update

Numeracy and literacy assessments for Grades 1–5 are now complete. Results have been sent home with students, and parents should have received their child's results. Thank you for your continued support as we work together to support student learning and growth!

EXCELLENT TEACHERS, LEADERS AND GOVERNANCE

In November, teachers will continue their professional learning focused on evidence-based instructional practices, including making learning intentions and success criteria visible and clear for students. Families can support this learning by asking their child, "What are you learning at school, and how will you know when you've achieved your learning goal?

Specialized Supports at VCS

We want to remind families that Child and Youth Mental Health Therapy is available downstairs at the Nuvista Energy Centre in Beaverlodge. For more information, please call 780-538-5162. Our school also has a counsellor in the building every other Tuesday to provide additional support for students. Please reach out if you feel either of these services may be a support for your child. We are here to help!

OUR CHARTER

Student Led Research Jr High

On Wednesday, Oct. 21, seven community members and two teachers from the school met with the VCS Junior High Students for an hour-long speed interview session. The students interviewed their adult partners to look for ways to improve their communities. This was the first step in the class's second year of Student Led Research. In the next step of the process, the students will choose one of the problems that were mentioned and develop pitches for projects that may help solve the problem.

Volunteers

Our students have been busy phoning parents to recruit volunteers for our upcoming Blades games! 🏒 We are so grateful for the amazing support from our school families and community.
